

# Mahmudul Hoque

mahoq1@morgan.edu — <https://hoquemahmudul.github.io/>

## EDUCATION

<b>Morgan State University</b>	5/2025 <b>M.S.</b> , Advanced Computing, GPA: 3.77/4.0 ▷ <i>Best Thesis in MS</i> , Department of Computer Science, 2025 ▷ <i>IBM Masters Fellowship Award</i> , 2024
<b>North South University</b>	8/2022 <b>B.S.</b> , Computer Science and Engineering, GPA: 3.73/4.0 ▷ <i>Undergraduate Merit Scholarship</i> , 2018

## RESEARCH EXPERIENCE

My research interests lie in the development of generative and vision-language models that are more robust, interpretable, and efficient for high-stakes domains.

<b>National Institute of Standards and Technology</b> (Gaithersburg, MD, USA)	6/2024 – 6/2025	<b>Research Associate</b> Supervisor: Dr. F. H. Kim Engineering Laboratory
--	-----------------	--

## TEACHING EXPERIENCE

<b>Morgan State University</b> Computer Science (Baltimore, MD, USA)	8/2025 – present	<b>Graduate Teaching Assistant</b> Introduction to Data Science Instructor: Dr. M. M. Rahman
<b>North South University</b> Mathematics & Physics (Dhaka, BD)	8/2021 – 4/2022	<b>Undergraduate Teaching Assistant</b> Physics II, Probability and Statistics Instructor: Dr. Z. Mahbub, Dr. I. Jahan

## DATASETS

- **M. Hoque** and F. H. Kim. “A dataset of synthetic additive manufacturing lack-of-fusion pores generated using a three-dimensional Generative Adversarial Network based on X-ray computed tomography images.” *National Institute of Standards and Technology*. 2025.

## RECENT PUBLICATIONS

*All papers listed are published except where indicated as under review.*

## RESEARCH FUNDING

- NSF ACCESS computational allocation as PI (ID#CIS251271), 750K credits, 2025–2026.

## SERVICE

- Peer reviewer, IEEE Journal of Biomedical and Health Informatics, 2025–present.
- Peer reviewer, IEEE Access, 2025–present.
- Executive Board Member, Bangladesh Student Association, Morgan State University, 2024–present.
- Executive Board Member, Graduate Student Association (School of Computer, Mathematical & Natural Sciences Representative), Morgan State University, 2024–2025.
- Data Analyst Intern, iFarmer Ltd. (Dhaka, Bangladesh), 2023.
